Gerard Chilcott

Associate Partner, Business Services

HMW Capital

A former Senior Manager with KPMG Enterprise, Gerry has over 15 years' experience within the Finance sector. Holding a Masters in Applied Finance, a Bachelor of Business and both CPA and CAANZ accreditations, Gerard has worked with a diverse range of clientele and sectors, proving his array of knowledge.

Gerry's respected expertise in Business Operations and Strategy saw him dedicating 12 months to working on the creation of offshore strategies for a major multinational professional services network and member of the Big Four, including a 3-month secondment to Bangalore to train and manage the newly created operations team.

A special interest in preparing and capitalising on business valuations also saw Gerard seconded to Puma to assist in the \$1 billion acquisition of Neumann Petroleum and Ausfuel in 2013. More recently, Gerry assisted a group of clients to successfully achieve their exit strategy with the sale of their business to a Listed entity.

Proud Member of Russell Bedford International

HMW Group is a proud member of Russell Bedford International, a global network of professional services firms providing accounting, audit, tax, financial and other consulting services. Russell Bedford operates all over the world with more than 370 offices located in 110 countries. The services the network offers are truly global, allowing us to deliver innovative solutions to a diverse range of clients.

Our trusted network of business professionals ensures our clients receive consistent and exceptional service from across the globe. With a common set of values, Russell Bedford International member firms deliver qualified advice across audit, accountancy, tax and advisory services.

We support our clients by providing the capability to grow their businesses regionally, nationally and internationally, enabling them to expand their businesses with confidence as they enter into new territories and ensuring consistent service is always delivered.
